

**AIDS Interfaith Ministries of
Kentuckiana (AIM) (502) 574-6085
(502) 574-6086**

AIM offers speakers, educational workshops, and retreats for caregivers, families and individuals affected by HIV/AIDS, as well as training seminars for clergy, congregations, volunteers, and the larger community seeking to form a compassionate response to HIV/AIDS.

American Red Cross (502) 589-4450
Educational programs are made available for the work place, brochures & films for the community. Monthly education programs, HIV/AIDS instructor class for African-Americans & AIDS education certification for health professionals

Friend to Friend (502) 574-8248
Website: www.friendtofriend.org (502) 574-5373
E-mail: getsafer@friendtofriend.org
Friend to Friend provides sexual health information, referrals to area resources, answers, insight and support for Louisville's M4M community. We're concerned community members dedicated to educating our friends on HIV and how to prevent new cases. Members are trained on the HIV Virus and how to talk with their friends about prevention, an often difficult and awkward subject to discuss with peers.

Kentucky Hemophilia Foundation (502) 456-323
Website: www.kyhemo.org (800) 582-CURE
Providing education, research and advocacy on behalf of people with bleeding disorders.

SUPPORT GROUPS

Compassionate Friends of Louisville (502) 589-4313
Provides mutual support for parents with the death of a child of any age. Information through the Crisis and Information Center.

**Kentucky AIDS Life Alliance
(KALA) (502) 969-0336**
E-mail: kentuckyaidslifealliance@yahoo.com
KALA is a support group for people living with HIV/AIDS and those family members, friends and caregivers directly affected by this disease. As an independent client based organization, KALA collaborates with other agencies and organizations to educate and enlighten people living with HIV as to the resources and information available to them. KALA is a non-discriminative organization that welcomes everyone personally facing the social and economic conditions that accompany living in the shadow of HIV/AIDS.

**Camp Heart to Heart (502) 969-0336
(502) 939-5295**
Website: www.camphearttoheart.com
E-mail: camphearttoheart@yahoo.com

Camp Heart to Heart is a free summer camp for children ages 5 to 12 who are infected/affected by HIV/AIDS. The camp is held in June of each year at Lions Camp Crescendo in Lebanon Junction, KY, just 25 miles south of Louisville, KY. Camp Heart to Heart provides a traditional lifetime camping experience for these special children and is handicap accessible. Activities

include swimming, arts and crafts, sports, fishing and much more. The camp is also searching for volunteers to serve as counselors and support staff members. Please call or email the Co-Directors for additional information.

LEGAL

HIV/AIDS Legal Project of the Legal Aid Society (502) 574-8199

Provides free civil legal services in priority areas to individuals with HIV/AIDS who otherwise cannot afford an attorney. Also provides education on legal issues related to HIV/AIDS. Since 1992, the Legal Project has represented over 2,600 clients in legal matters involving access to health care and public benefits, safe and stable housing, life planning, economic stability, family relationships, discrimination and confidentiality.

SUPPORT SERVICES

AIDS Services Center Coalition, Inc. ... (502) 574-5490

Website: www.ascinc.org

E-mail: info@ascinc.org

For over a decade, ASCC has brought together HIV service providers in the Louisville, Kentucky and Southern Indiana area. AIDS Services Center started in 1989 and in 1994 incorporated into AIDS Services Center Coalition, Inc. This umbrella organization serves as a clearinghouse for information, statistics and as a resource center to give direction to the newly diagnosed, their friends and their families about available services. The A.S.C.C. also provides information on testing for HIV and provides public speakers of PLA's (Persons Living with AIDS) among other services. The AIDS Services Center Coalition, Inc has a membership community based AIDS service organizations and At-Large Members from within the community. The organization works together to organize the **Louisville AIDS Walk** each September working to raise much needed funds to apply to direct services to the HIV + community and their families.

Louisville AIDS Walk (502) 574-5947

Website: www.louisvilleaidswalk.org

E-mail: info@louisvilleaidswalk.org

Louisville AIDS Walk unites the community in heightening awareness of HIV/AIDS and in raising money to address the needs of those in our community with HIV/AIDS. One hundred percent of the Walk's net proceeds are distributed to local AIDS organizations providing essential services to people with HIV/AIDS. A donation to the Louisville AIDS Walk is an investment in caring. With the help of generous donors, such as you, the Louisville AIDS Walk has made a difference for the past beneficiaries and their clients

Louisville AIDS Resource Center (502) 574-5490

E-mail: LARC@ascinc.org

We are a diverse people dedicated and united to enhance the quality of life of persons living with HIV/AIDS. The goals we share are to promote self-empowerment and education to those persons both infected and affected by HIV/AIDS. The AIDS Resource Center works with the community through advocacy, education, peer support and treatment activism. We offer a resource center with over 160 binders on information on HIV/AIDS from "Living With" to "Experimental Therapies" also videos are available for you viewing along with internet access. Feel free to contact us by phone, e-mail or visit our location at 850 Barret Avenue, Suite 302.

WINGS Medical Clinic (502) 561-8844 Support Services (502) 561-8831

WINGS, a U of L outpatient medical clinic for HIV+ individuals, is open Monday through Friday 8 am - 5 pm. The goal of WINGS is 100% access to comprehensive medical care for HIV+ persons and 0% disparity in the quality of care provided, regardless of ones income. WINGS' mission is to provide quality, comprehensive medical care, as well as physical and emotional support, to all HIV+ individuals and persons

living with AIDS in a 7-county service area surrounding and including Jefferson County. WINGS offers services that include primary care, infectious diseases specialty care, pharmacy, in-house referrals for help with substance abuse, support groups, mental health counseling and assessments and referrals, social support services and medical case management, as well as liaisons to community services for those with HIV/AIDS. In addition, the support services program is available to not only assist the HIV/AIDS patient, but their affected family members. Patients and caregivers may want to take advantage of the Positive Self Management Workshops and other programs offered by Support Services to educate and empower patients and affected family members. Free HIV testing is available at the clinic M-F.

University of Louisville School of Dentistry Ryan White Dental Program (502) 852-1267

Through federally-funded Ryan White grants, the U of L School of Dentistry is able to provide dental care to HIV/AIDS patients who have no means of payment. Care is provided in Louisville at the dental clinic in the U of L Ambulatory Care Building, in Pleasure Ridge Park at the Dixie Metro Health Clinic, and in Elizabethtown, KY at the 1010 Woodland Drive Building. WINGS patients call (502) 561-8844 for an initial dental appointment. All others call (502) 852-1267.

EDUCATION

Louisville AIDS Resource Center (502) 574-5490 E-mail: LARC@ascinc.org

Office hours - 10:30 am - 4 pm. Monday through Friday with an Education Coordinator available to answer questions regarding HIV transmission, safer sex, HIV related concerns, referrals and other STD's (Sexually Transmitted Diseases). **Voice mail available for returned calls.**

Volunteers of America STOP Program (502) 574-5373

The STOP (**Stop** the spread of HIV through **Testing, Outreach & Prevention**) education program of Volunteers of America is dedicated to preventing the spread of HIV through education, outreach, group interaction, in a caring nonjudgmental and direct manner. Volunteers of America also provides care and treatment for substance abuse in association with HIV/AIDS.

H.E.R.O. Project (Helping, Educating, Reaching Out) (502) 574-5373

Our community health outreach workers and dedicated volunteers coordinate several programs to educate the community on how to reduce the risk of contracting HIV. We are often looking for volunteers and participants for our entertaining and informative programs. If you are interested in volunteering, hosting a workshop, being a participant or attending a forum contact the HERO Project. The HERO Project is also a part of Volunteers of America's STOP Program.

House of Ruth (502) 587-5080 Website: www.houseofruth.net

Provides speakers as well as education and consultation for families and individuals affected by HIV/AIDS, caregivers and community. House of Ruth respects all definitions of family.
